Bob & I are spending a few days down here & are having a lovely time. Emily D. & Fraulein are staying at Walton also. The latter says she sent you a card in German & has had no reply - she can read English she says. Laura D. has been spending the week end - tells me she has heard from you. Our house is the large one just over the man's head (daughter's home) & our bedroom window right at the top. To-day is so still & calm, but some days the sea has been gloriously rough. Love from us both to you all
